

Laurie sez:

Walt has gone to Arizona and I forgot to tell him it was his turn to do the newsletter this week so I'm pinch-hitting for him. November came in with snow, ice, rain and about everything except warm weather.

I guess I shouldn't be surprised.

We're coming to the end of the year and we'll be busy here in the office getting all the end of the year tax forms sent out. Just a reminder to any of you who have moved or have a different address, please be sure to let us know as soon as possible what your correct address is so that you don't have to wait for your mail to come back to us from your old address.

When I changed the date on the newsletter, I realized that this Saturday is Veterans Day so I went in search of something that expresses my appreciation for the people who volunteer to serve this great nation defending our freedoms. Veterans deserve our thanks.

It is the veteran, not the preacher, who has given  
Us freedom of religion.

It is the veteran, not the reporter, who has given  
Us freedom of the press.

It is the veteran, not the poet, who has given us  
Freedom of speech.

It is the veteran, not the campus organizer, who  
Has given us freedom to assemble.

It is the veteran, not the lawyer, who has given us  
The right to a fair trial.

It is the veteran, not the politician, who has given  
Us the right to vote.

It is the veteran, who salutes the flag.

It is the veteran, who serves under the flag, and is

Buried under the flag

So the protester can burn the flag.
